Employment Highlights

Currently employed as a Marine Safety Captain for the City of Huntington Beach Fire Department, Marine Safety Division. Worked as a lifeguard for 12 years. Was selected as a Marine Safety Employee of the year in 2019. Focused on drowning prevention as a cause, one of the Marine Safety Community Risk Reduction Captains who leads the various public education programs

Volunteer Experience

The most enjoyable experiences are when I am helping others and teaching them about beach and ocean safety. I have been the president of the Huntington Beach Surf Lifesaving Association focused on beach and ocean safety education and worked on a few beach and ocean Public education lectures and open house days. Volunteered working with passing out food to those who need it in the past.
