Employment Highlights

I hold a BA in English Literature & Creative Writing from UCLA and an MCG from the USC Annenberg School for Communication and Journalism. After a career working in Research & Information Technology for firms such as DLJ, Razorfish, and Western Asset Management, I focused on raising a family and serving the community.

Volunteer Experience

I have served on Lake Oswego's Library Board and chaired the Our Lady of the Lake Endowment Board from 2016-2021. I also served on Catlin Gabel School's Board of Trustees from 2019-2021. My work with the OLL Endowment Board was incredibly fulfilling, as all funds raised went to tuition assistance for families in need.

My husband, Andrew, and I have three children, Miles (18), Louis (16), and Riley (14). We have recently relocated to Southern California after fifteen years in Portland, Oregon, and I'm eager to contribute to the USC community!
