President’s Message
I am honored and pleased to assume the duties of President of Town and Gown of USC. I thank our Past President, Pat Whitman for the hard work she has done over the past two years. I’d also like to thank our President’s Circle for their continued support, guidance and wisdom. I take on this role with excitement and anticipation for all the great things we will accomplish together! I look forward to the next two years with my Trojan Family!

NEWS!
Congratulations to our own HILARY CRAHAN, on being recognized as one of the “Women of Larchmont” for her dedication to volunteerism in her community. Besides serving on our board for Town and Gown, she is involved with the Boys and Girls Club, Children’s Hospital, Trojan League, The Newman Guild and her church. We are so lucky to have Hilary on our Town and Gown Board!

Congratulations to our Town and Gown members who were honored on August 30 at the Volunteer Recognition Awards. The award celebration was held in our beloved Town and Gown building, “the living room of USC.”

T&G Scholars

On August 26 we welcomed over 100 of our scholarship recipients, their parents and donors to participate in a back to school celebration. Traveler and the USC Marching Band also made an appearance! Students participated in a short class, took their pictures with Traveler, feasted on a Mexican buffet, and then listened to Professor James Bottom and two of his students from the Marshall Blackstone Launchpad Program. A great day was had by all!

Please remember to RSVP for our October 2 Luncheon, featuring our own USC Head Football Coach CLAY HELTON! Get into the Trojan Spirit!

Our speaker line up this year is fantastic. Come to the luncheons. Reconnect with old friends, make new friends and enjoy your Trojan Family!!

Fight On! I look forward to seeing you all in October!!
