Fifteen years ago our **WOMEN OF VISION** worked with USC to create a mutually beneficial outcome for both the university and our 501(c)(3). In the past 15 years, our endowment funds have awarded over 2,000 scholarships and our fund (invested by USC) has grown to a corpus of over \$69 million. These leaders' business acumen, indefatigable leadership, and love for Town and Gown of USC made this outcome profoundly successful.

Town & Gown

University of Southern California
Founded 1904

Town & Gown of USC is a non-profit philanthropic organization whose purpose is to support USC through scholarships for students, building and campus enhancements, and cultural programs.
